Vision Provider Directory

Your Vision Plan gives you access to Spectera Eyecare Networks. If you have any questions or if you need help with language translation, please contact Customer Service at 1-800-638-3120.

Your Vision Provider Directory

This directory includes a list of our participating vision care providers. The information about each provider includes:

- Provider name, address and phone number
- Foreign languages spoken, if any
- Accessibility for people with disabilities

All participating providers accept new patients.

Spectera Eyecare Networks cannot guarantee the continued participation of vision care providers currently listed in this directory. Network availability may vary from state to state and a specific vision care provider's contract status may be updated when we receive new information. In addition, only the office locations listed are in your network. Visiting a vision care provider at any other location may result in reduced benefits, therefore, before you receive care, we recommend that you verify with the vision care provider that they are still contracted with the network and at the location you are planning to visit. When a provider leaves the network, your out of network benefit will apply. As soon as a provider's status changes, your cost share will increase.

Please call our Provider Locator Service at 1-800-839-3242 or visit our website for the most up to date provider information.

Meeting Our Quality Standards

You can have confidence in knowing that you are receiving care from vision care providers who have been carefully selected for participation in our network. All vision care providers undergo a rigorous review process prior to being accepted into our network, which includes:

- Education, training and experience in Ophthalmology or Optometry
- Licensure, certification and other requirements
- Malpractice history

This process assures that each vision care provider has the required credentials to participate in the network.

Please note that a Costco membership is required to purchase eyeglasses or contact lenses at Costco locations, but a membership is not required to see a vision care provider inside Costco.

We do not treat members differently because of sex, age, race, color, disability or national origin.

If you think you were treated unfairly because of your sex, age, race, color, disability or national origin, you can send a complaint to the Civil Rights Coordinator.

Online: UHC_Civil_Rights@uhc.com

Mail: Civil Rights Coordinator. UnitedHealthcare Civil Rights Grievance. P.O. Box 30608 Salt Lake City, UTAH 84130

You must send the complaint within 60 days of when you found out about it. A decision will be sent to you within 30 days. If you disagree with the decision, you have 15 days to ask us to look at it again.

If you need help with your complaint, please call 1-800-638-3120, TTY 711, Monday through Friday, 7 a.m. to 10 p.m. CST.

You can also file a complaint with the U.S. Dept. of Health and Human Services.
