

UnitedHealthcare Vision Plan

Can you explain the UnitedHealthcare Vision Plan frame benefits?

Under the UnitedHealthcare plan, you are free to choose any frame available at any provider location, or any frame that a provider is willing to order for you. At both network retail locations and private locations, you will receive a \$130 retail allowance toward the cost of the frame. If the frame falls within the allowance, it will be fully covered with no out-of-pocket expenses beyond the material copay. If you choose a frame that exceeds these allowances, you only pay the difference and may also take advantage of any provider discounts offered.

For out-of-network we reimburse up to \$45.

Does the plan offer access to vision discounts?

As a UnitedHealthcare vision plan member, you have access to discounts on laser vision correction from the Laser Vision Network of America. All in-network surgeons extend discounts of 15% off standard prices or 5% off promotional prices to members. Learn more about laser vision correction and find an in-network LASIK* provider by visiting www.uhclasik.com or call 1.888.563.4497.

You can save on high-quality hearing aids when you buy them from hi HealthInnovations^{TM**}. For more information, visit www.hiHealthInnovations.com or call 1.855.523.9355.

*LASIK is not a covered benefit, but a discount available to UnitedHealthcare vision members.
