How do I enroll in MyUHealthChart?
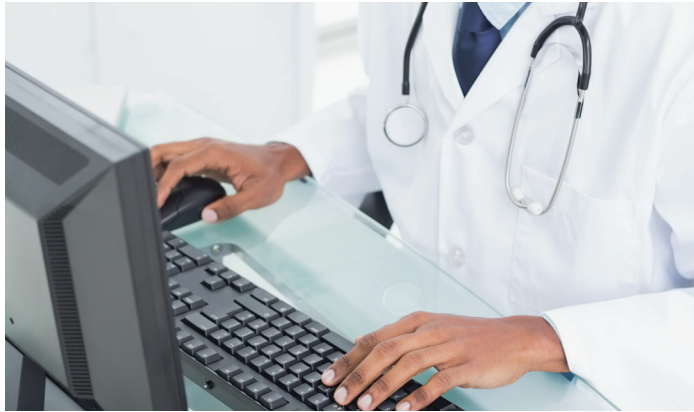

Patients who wish to participate will be issued a MyUHealthChart activation code during their clinic visit. This code will enable you to log in and create your own user ID and password. If you do not have an activation code, you can request one by visiting the MyUHealthChart.com website and selecting "Sign Up Now" and "Request Activation Code."

Is my information safe on MyUHealthChart?

Yes. We take great care to ensure your health information is kept private and secure. Patients control their passwords, and an account cannot be accessed without the specific password. MyUHealthChart uses the latest encryption technology and, unlike conventional email, all messaging is done while you are securely logged on to our website.

Is there any cost to use MyUHealthChart?

MyUHealthChart is a free service offered to our patients.

Who shall I contact if I have questions when using MyUHealthChart?

You can email us at **AskMyUHealthChart@med.miami.edu.**
